

**FAIR FUNDING
FOR ALL SCHOOLS**

Calling All Parents!

We are the national parent-led campaign calling for Fair Funding for All Schools

Schools in England are facing the biggest cuts in a generation.

Despite the government's election promises to parents, the money following your child into school is going down.

This will mean:

- ▶ **increased class sizes**
- ▶ **loss of teaching and support staff**
- ▶ **fewer subject choices**
- ▶ **less support for SEN and vulnerable pupils**
- ▶ **fewer resources and out of school activities**

In addition, introducing a new school funding formula without the money to deliver it means that all schools are losing out.

As parents we refuse to accept this.

No one voted for cuts to our schools.

Parents and pupils uniting across the country and making our voice heard is hugely powerful. The government will be forced to listen. Our MPs will be forced to listen.

We have a simple message for the government:

- ▶ **Reverse cuts to school budgets**
- ▶ **Protect pupil funding in real terms**
- ▶ **Provide more money to schools in poorly funded areas – without taking funds from other schools**
